INTRODUCTION

Robert Half's benefits are designed to support your physical, mental and financial wellbeing. You've told us you want variety and flexibility in our offerings, and you need us to continue to manage costs wherever we can. We remain committed to continuously improving our benefits to serve our diverse employee population.

Read through this document and see how our benefit programs can help you and your family stay healthy, balanced and happy:

- Review your benefit choices
- Understand how the plans work
- Learn about the tools and resources available with each plan
- Select the benefits that are best for you

Then make sure to enroll by the deadline.

Our Benefits Partner: the Mercer Marketplace 365

Through the Mercer Marketplace 365, you can compare benefit plans — including details and costs — and choose the best fit for your needs and those of your family.

The Mercer Marketplace 365 provides resources to help you understand your options, such as the medical plan comparison tool that lets you model various benefits scenarios.

HIGHLIGHTS OF 2020 CHANGES

For 2020, we're enhancing our benefits to reflect your feedback and mitigating cost increases for most of our plans. We continue to evaluate the benefit plans and make changes to ensure our benefits provide you with the highest level of care and support, while keeping us competitive across our industry.

COVERAGE COSTS

We know cost continues to be a big concern for health care coverage. In previous years, we've implemented increases across several plans to effectively share responsibility of the increased cost of care. **In 2020, Robert Half/Protiviti will absorb most of the cost increases for its plans.** There will be no employee rate increases for Anthem and Cigna members at all tier levels — this is the third straight year that employees in the \$1,500 and \$2,500 Deductible Plans offered by these providers will not experience a rate increase. In addition, there will be no increases for the dental, vision, supplemental long-term disability, supplemental employee and child life insurance, and supplemental accidental death and dismemberment (AD&D) plans.

Kaiser, Hawaii's HMSA and spouse supplemental life insurance rates will see an increase.

If you're a Kaiser member, Robert Half is absorbing a large majority of the cost increase associated with this plan, which is driven by high utilization and a high cost of claims. We know it may be challenging to pay a little more for health care, but keep in mind the Kaiser plan remains the lowest cost medical plan for most of the tier levels. We appreciate your understanding as we share responsibility for the cost of care.

Rates are available through the Mercer Marketplace 365, except MetLife Auto and Home Insurance and Nationwide Pet Insurance. You must contact those vendors separately (available through the Mercer Marketplace 365).

ANTHEM AND CIGNA MEDICAL PLANS

Smart90

You now have access to Smart90, a program that helps you save money and stay on track when refilling maintenance medications. This option is available in addition to the mail-order program and makes filling maintenance medications easier and more convenient.

Here's how it works:

- You can receive a 90-day supply of your maintenance medication(s) at a participating Walgreens or CVS/Target Pharmacy. To find a participating Smart90 pharmacy, go to [express-scripts.com](https://www.express-scripts.com) and log in.
- After two refills, if you purchase a maintenance medication(s) at a retail pharmacy *other than a participating Smart90 pharmacy or the mail order program*, you will pay 100% of the cost of the medication(s). (To estimate a drug's cost, use the *Price a Medicine* tool at [express-scripts.com](https://www.express-scripts.com). You need to login to access the tool.)

For more information about Smart90 or to find a participating Smart90 pharmacy, go to [express-scripts.com](https://www.express-scripts.com) and log in.

RationalMed

Robert Half will implement an integrated data engine called RationalMed (through Express Scripts). This free service identifies risks, such as adverse drug reactions, by integrating medical, pharmacy and laboratory claims data. It also sends safety interventions and alerts to caregivers to help you and your family members avoid additional risks.

Care Management

For the Anthem and Cigna plans, management of chronic condition(s) will be provided through *Anthem Total Health*, *Total You* and *Cigna Health Matters® Care Management Complete*. These structured treatment plans help those with chronic conditions better manage their diseases in order to maintain and improve their quality of life. If you're eligible (based on the care you received), Anthem or Cigna will reach out by phone to invite you to participate.

Note: You can continue to participate in the Mercer Health Advantage program if you're currently enrolled and are receiving care through Mercer Health Advantage for a particular health issue or condition.

KAISER MEDICAL PLANS

Kaiser is making the following changes to their plan designs:

- California — For the \$1,500 and \$2,500 Deductible Plans:
 - Deductible: For an individual within a family, the deductible amount will increase to \$2,800
 - Acupuncture: This service is now covered for a \$15 copay per visit after you meet the deductible; visit limits will be 40 visits (combined with chiropractic)
 - Chiropractic: Visit limits are increasing to 40 visits (combined with acupuncture)
- Georgia — For all plans:
 - Autism: Services are now unlimited
- Northwest — For all plans:
 - Diabetic supplies: You now pay 20% for disposable supplies after you meet the deductible

HEALTH SAVINGS ACCOUNT (HSA)

The IRS is increasing the annual limit for HSA contributions to \$3,550 for employee only and \$7,100 if you cover your spouse and/or child(ren) too.

LIFE AND AD&D INSURANCE

Lincoln Financial now administers life and accidental death & dismemberment (AD&D) benefits.

DISABILITY PLANS

Our disability insurance carrier's name changed to Lincoln Financial.

Important!

During the Open Enrollment period for 2020 benefits only, you may choose to purchase additional life insurance coverage up to the following amounts without providing evidence of insurability (EOI):

- Supplemental Employee Life: An additional \$250,000 (on top of current coverage amounts)
- Supplemental Spouse Life: Up to \$50,000 maximum

WHO'S ELIGIBLE?

EMPLOYEES

You're eligible to enroll in Robert Half's benefits program if you're a regular, full-time employee in the Salaried Professional Service (SPS) program who works a minimum of 30 hours per week. You become eligible for most benefits on the first day of the month following or coinciding with 30 days of continuous, active full-time employment. For commuter benefits and the Employee Assistance Program, you become eligible on your hire date.

However, if you're an employee living in Hawaii, you become eligible for medical benefits (even as a part-time employee) if you work four consecutive weeks for 20 hours or more per week.

If you're a part-time employee (outside of Hawaii), you're eligible to enroll in commuter benefits and voluntary insurance products. (See pages 23 and 26 for more information about these benefits.)

Important

Staff and Protiviti employees and temporary professionals in Hawaii have different eligibility requirements. For details, see the **2020 Robert Half Staff and Protiviti Benefits Guide** or the **2020 Hawaii Temporary Professional Benefits Guide**.

Enrollment Tip

To be covered, your dependents must be enrolled in the same plans you choose for yourself.

DEPENDENTS

When you enroll for benefits, you can also enroll your eligible dependents, including your:

- Lawful spouse or qualifying domestic partner¹
- Children up to age 26²

¹ To qualify for benefits coverage, domestic partners must have entered into a legally recognized civil union or be registered with a state or local government domestic partnership registry. In the absence of a civil union or registration, domestic partners must satisfy the criteria set forth in Robert Half's Domestic Partner Benefits Guidelines. Any requirements for proof of relationship or waiting periods are applied similarly to domestic partners and spouses. COBRA-like continuation coverage is available to domestic partners and their children to the same degree and in the same manner as COBRA coverage is available to spouses and their children.

² If your child is mentally or physically disabled, coverage may continue beyond age 26, once proof of the ongoing disability is provided. Children may include natural children, adopted children, stepchildren and children for whom you are the legal guardian, as well as children of qualifying domestic partners.

HOW TO ENROLL OR MAKE CHANGES

Enrollment Tip

Have your dependent's Social Security number (except for newborns) and date of birth ready before logging on to the **Mercer Marketplace 365** website or calling the service center.

| ONLINE  | PHONE  | MOBILE  |
|--|--|--|
| Visit the Mercer Marketplace 365 website at mercermarketplace.com/roberthalf | Call 1.855.879.6739 Monday – Friday: 4 a.m. – 6 p.m. Pacific time | Download the Mercer Marketplace 365 app from your app store. (company ID: ROBhaf) |

Mercer Marketplace 365 is the online platform where you enroll or make changes to all of your benefits, including Anthem, Cigna, Kaiser and other products we offer. You can compare benefit plans — including details and costs — and choose the best fit for your needs and those of your family.

The Mercer Marketplace 365 provides resources to help you understand your options, such as the medical plan comparison tool that lets you model various benefits scenarios.

WHEN TO ENROLL

You can enroll for benefits:

- When you first become an eligible employee
- During Open Enrollment
- During the calendar year, within 30 days of a qualified life event

UPON HIRE

You become eligible for most benefits on the first day of the month following or coinciding with 30 days of continuous, active full-time employment. For commuter benefits and the Employee Assistance Program, you become eligible on your hire date. (The date you become eligible for a benefit plan is considered your “eligibility date.”) Check with your office for exact effective dates.

You must enroll for benefits within 30 days following your hire date.

If you don’t enroll within 30 days, you won’t be able to enroll for benefits until the next Open Enrollment period, unless you experience a qualified life event as defined by the IRS. (See During the Year below for more details.)

DURING OPEN ENROLLMENT

Open Enrollment is your annual opportunity to enroll for benefits or make changes to your existing benefits. Generally, benefits you elect during Open Enrollment will be effective January 1 through December 31 of the following year unless you experience a qualified life event that permits you to change your coverage or makes you ineligible for coverage.

DURING THE YEAR

If you experience a status change that affects your eligibility for benefits or an IRS-qualified life event during the year, you may enroll for coverage in new plans and make changes to existing coverage within 30 days of the event. Contact the Mercer Marketplace 365 through mercermarketplace.com/roberthalf or call **1.855.879.6739** to start the process.

Qualified Life Events

Examples of qualified life events, per IRS guidelines, include but are not limited to:

- Marriage
- Divorce
- Birth, adoption of a child or becoming a court-appointed legal guardian
- Death of a dependent
- Loss of dependent eligibility for coverage
- Loss of coverage due to a change in employment status

Your benefit elections or changes must be consistent with the event. Documentation of the event may be required. Changes you make generally will be effective on the first day of the month following or coinciding with a qualified life event, except for:

- The birth of a baby or adoption: Coverage begins on the date of birth or the date the child is put in custody for adoption.
- Removing dependents from coverage: Coverage ends for your dropped dependent on the last day of the month.
- Death, divorce, legal separation or termination of a domestic partnership: Coverage ends the day after the event date.*

* For medical coverage through HMSA (in Hawaii), coverage ends at the end of the month for these qualified life events.

WHEN COVERAGE BEGINS

Your Robert Half benefits coverage becomes effective on your eligibility date, provided you enrolled by the deadline. (See When to Enroll on page 7 for information about the enrollment deadline.)

- **If you enroll in benefits as a new hire**, your coverage (and your deductions) are effective as of your eligibility date. The first deduction(s) may not begin to be taken from your paycheck until one or two pay periods after you enroll, which means you may owe retroactive deductions. These retroactive deductions will be taken from your paychecks in addition to the regular per-pay-period deductions you see on the **Mercer Marketplace 365** website. To minimize retroactive deductions, consider enrolling early.
- **If you enroll during Open Enrollment**, your benefits will generally be effective beginning January 1 of the following year.

For more information regarding coverage following a qualified life event, contact the Mercer Marketplace 365 at **1.855.879.6739**.

WHAT COVERAGE COSTS

The amount you'll pay varies depending on the options you elect and whom you choose to cover — yourself only, yourself and your spouse/domestic partner or child(ren) or your whole family. You can find 2020 costs for all the benefit options on the **Mercer Marketplace 365** website.

Regardless of the medical plan you choose, it's important to note that Robert Half pays the majority of the overall cost.

WHEN COVERAGE ENDS

If your employment ends, or if you terminate coverage due to a qualified life event, your medical, dental and vision coverage ends on the last day of the month. Identity protection, legal coverage, and auto and home insurance also end on the last day of the month.

Supplemental medical insurance options, HSA, FSAs, disability coverage, basic and supplemental life and accident insurance, commuter benefits, universal life insurance and pet insurance end on the termination date.

FSA AND COMMUTER BENEFITS

If your employment ends, or if you terminate the plan as part of a qualified life event change, your FSA and/or commuter benefits coverage ends on your termination date. Your debit card will be inactivated as of your termination date. You will need to file claims using the Mercer Marketplace 365 website, mobile app and/or claim forms. The deadlines to file claims are:

- **FSAs:** You have 90 days from the end of the plan year (March 31, 2021) to submit claims received within the 2020 plan year up to the termination date. You can't file claims for services received after the termination date.
- **Commuter benefits:** You have 90 days from the termination date to submit claims for services. Claims must be submitted within 180 days of the date the claim was incurred.

Note: You will forfeit any funds remaining in your FSA or commuter account after all qualified claims have been paid.

COBRA COVERAGE

If you leave Robert Half or become ineligible for benefits, your current coverage will end. You and/or your covered dependents may elect to continue medical, dental, vision, and Health Care Flexible Spending Account benefits through COBRA. COBRA — the Consolidated Omnibus Budget Reconciliation Act — generally allows you and your dependents to continue your insurance under the Robert Half policy for 18 months after you cease to be an active employee. If your dependent(s) loses coverage due to your death or divorce, or because he or she reaches the dependent age limit, his or her coverage may be continued for up to 36 months. Through COBRA, you can elect each benefit and coverage level separately, and your coverage will be identical to what you had in place on your last day of employment or eligibility. However, your cost will be the full premium (both your and Robert Half's portions) plus a 2% administration fee for TRI-AD, our COBRA administrator. Therefore, COBRA costs more than what you have been paying. You may want to visit the federal health insurance marketplace at [healthcare.gov](https://www.healthcare.gov) to compare plans and costs — you might find a more cost-effective option elsewhere. For questions about COBRA coverage, contact TRI-AD at **1.866.268.0142 (Option 4)**.

Survivor Health Care Benefits

Surviving dependents of a deceased employee will receive three months of COBRA medical, dental, and vision coverage paid for by Robert Half, as long as the dependents were covered under the Robert Half health plans at the time of the employee's death.

Conversion of Coverage

You or your covered dependent may convert basic life insurance and/or supplemental life insurance to an individual whole life insurance policy if your or your covered dependent's life insurance ends under the Robert Half policy.

You or your covered dependent may convert this insurance by applying and paying the first premium for an individual policy within 31 days after any part of your or your insured dependent's life insurance coverage ends. For more information, refer to your Certificate of Coverage or call **1.855.879.6739**.

YOUR MEDICAL OPTIONS

Do You Live in Hawaii?

See page 18 for an overview of your medical plan options. You can also go to the Mercer Marketplace 365 website at mercermarketplace.com/roberthalf or call **1.855.879.6739** for more information about these plans.

Robert Half offers a variety of medical plan options and provider networks through the Mercer Marketplace 365. You can choose the plan design and network combination that makes the most sense for you and your family. There are four plan options to choose from:

- \$400 Deductible Plan
- \$900 Deductible Plan
- \$1,500 Deductible Plan*
- \$2,500 Deductible Plan*

* These plans are compatible with a Health Savings Account (HSA). See page 13 for additional information.

\$400 DEDUCTIBLE PLAN AND \$900 DEDUCTIBLE PLAN

The \$400 Deductible Plan and \$900 Deductible Plan include the following features:

Free in-network preventive medical care. Preventive care is covered fully with no deductible and no copay or coinsurance, as long as you receive this care from in-network providers.

Annual deductible. You pay for your initial costs out of pocket (for most services) until you meet your annual deductible:

- \$400 Deductible Plan: The annual deductible doesn't apply to office visits and prescription drugs. Instead, you pay a flat-dollar copay, and the plan covers the rest of the eligible expense. The annual deductible applies to all other services, including hospitalization and the emergency room.
- \$900 Deductible Plan: The annual deductible applies to services including office visits, hospitalization and emergency room services. The annual deductible doesn't apply to prescription drugs.

Note: If more than one family member is covered, the plans begin to pay benefits for an individual family member when he or she reaches the individual deductible amount or when the combined expenses of all family members reach the family deductible amount, whichever happens first.

Coinsurance. Once the deductible is met, you and the plan will each pay a designated percentage of the cost for care, which is called coinsurance.

Out-of-pocket maximum. The plan protects you financially by limiting the total amount you will pay each year for medical care. Once you meet your out-of-pocket maximum, the plan pays 100 percent of your eligible expenses for the remainder of the year, as long as you use network providers. (For out-of-network providers, the plan will pay 100 percent of the "usual and customary" charge. You're responsible for any amount in excess of the usual and customary charge.)

Note: If more than one family member is covered, the plans begin to pay 100 percent of eligible expenses for an individual family member when he or she reaches the individual out-of-pocket maximum amount or when the combined expenses of all family members reach the family out-of-pocket maximum amount, whichever happens first.

Enrollment Tip

When choosing a medical plan, use the medical plan comparison tool on the Mercer Marketplace 365 website (mercermarketplace.com/roberthalf) to help you make the right choice for you and your family. You can compare your health plan choices in addition to estimating your cost for each plan. The cost comparisons will factor in the deductible amount, expected services and contribution amounts. (The medical plan comparison tool is only available when you're enrolling as a new hire, during Open Enrollment or following a qualified life event.)

You can also call Health Advocate at **1.866.695.8622** to get personalized help making benefit choice decisions.

Enrollment Tip

If you choose one of the medical plan options that is compatible with an HSA, you can contribute to your HSA on a pre-tax basis to help pay for out-of-pocket expenses, including the annual deductible.

\$1,500 DEDUCTIBLE PLAN AND \$2,500 DEDUCTIBLE PLAN (HSA-COMPATIBLE PLANS)

The \$1,500 Deductible Plan and \$2,500 Deductible Plan help you take charge of your health and financial savings. In addition to providing benefits, these plans are compatible with a Health Savings Account (HSA), which lets you save pre-tax dollars to pay your current and future medical and prescription drug expenses — including your deductible.

The plan benefits include:

Free in-network preventive medical care. Preventive care is 100 percent covered with no deductible and no coinsurance, as long as you receive this care from in-network providers.

Annual deductible. You pay for your initial costs for medical and prescription services until you satisfy your annual deductible. The annual deductible applies to all non-preventive services, including office visits, hospitalization, emergency room services and prescription drugs.

Note: When more than one family member is covered, the plans begin to pay benefits for an individual only when the family annual deductible amount is reached.

Coinsurance. Once the deductible is met, you and the plan will each pay a designated percentage of the cost for care, which is called coinsurance.

Out-of-pocket maximum. The plan protects you financially by limiting the total amount you will pay each year for medical care. Once you meet your out-of-pocket maximum, the plan pays 100 percent of your eligible expenses for the remainder of the year, as long as you use network providers. (For out-of-network providers, the plan will pay 100 percent of the “usual and customary” charge. You’re responsible for any amount in excess of the usual and customary charge.)

Note: The plan begins to pay 100 percent of covered in-network care only after the family annual out-of-pocket amount is reached.

For California Participants Enrolled in a Kaiser Plan

If you live in California and enroll in family coverage in Kaiser’s \$1,500 Deductible or \$2,500 Deductible Plan, the amount that an individual within a family will pay for the calendar-year deductible and out-of-pocket maximum will be limited to \$2,800 in 2020. See page 17 for details about the Kaiser California plan.

HEALTH SAVINGS ACCOUNT (HSA)

If you enroll in the \$1,500 Deductible Plan or the \$2,500 Deductible Plan, you have access to a unique tax-advantaged savings account called a Health Savings Account, or HSA. You can use this account to pay for eligible health care expenses for you and your eligible dependents on a tax-free basis for federal income tax purposes (state laws may vary). Robert Half's HSA is administered by TRI-AD.

Here's how the HSA works:

Key Features

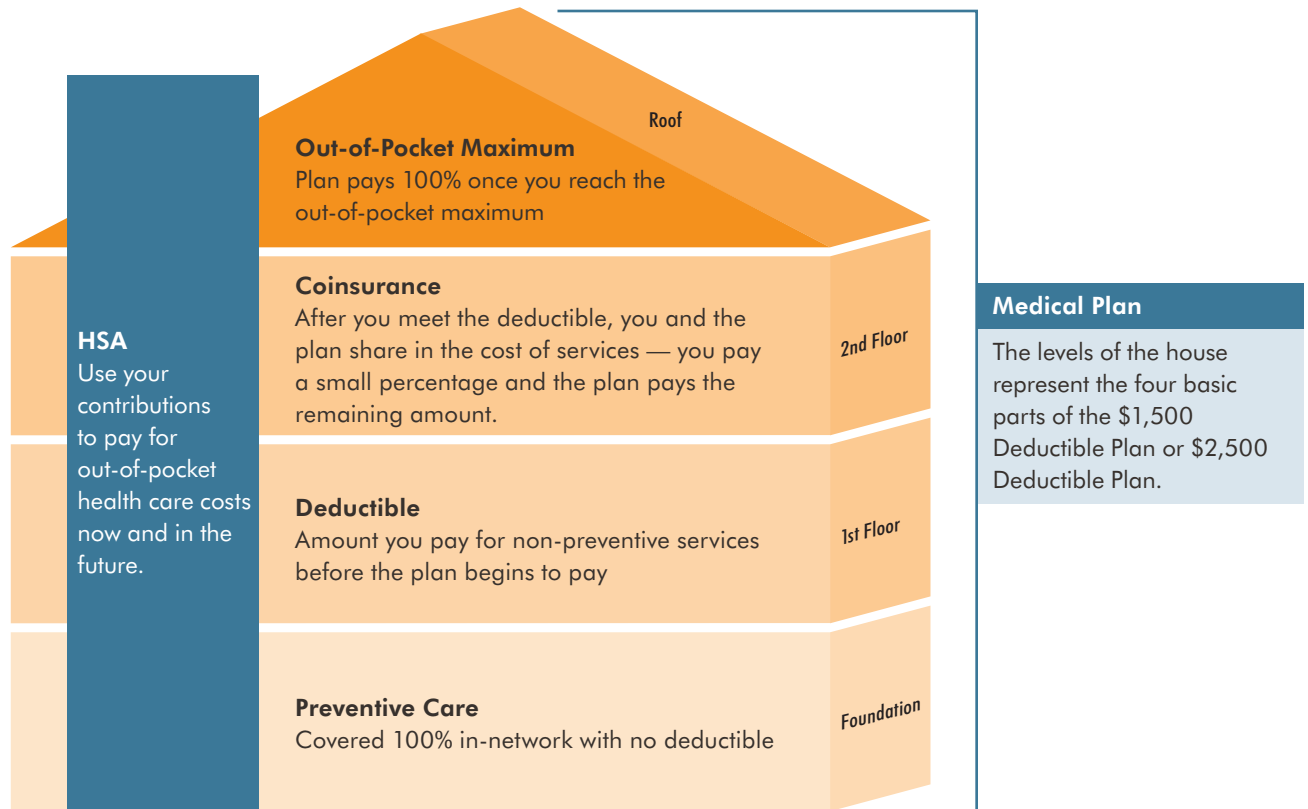

|  |  |  |  |  |
|--|---|---|--|--|
| <p>Enjoy the triple tax advantage</p> <p>The money you put into your HSA 1) is before federal tax, 2) is not taxed if used for qualified expenses and 3) can receive earnings, which aren't subject to federal tax.¹</p> | <p>Own the account</p> <p>Your HSA funds are yours, even if you change medical plans or leave Robert Half.</p> | <p>Control how you use it</p> <p>Use your HSA funds for qualified expenses, or pay out of pocket and save your funds for a later date.</p> | <p>Invest your savings</p> <p>You have the option to invest in a variety of mutual funds once your HSA balance reaches a minimum level.²</p> | <p>Save for medical expenses in the future</p> <p>By building up your HSA account from year to year, you'll be able to use the money for future medical expenses.</p> |

¹ Tax-free status applies to federal taxes but varies by state. Currently, California and New Jersey don't allow favorable tax treatment of HSAs. New Hampshire and Tennessee tax dividend and earnings after a certain dollar amount. Check with your financial advisor to determine how HSA contributions, earnings and distributions are taxed in your state.

² Information about investment options through TRI-AD is available online at yourflexbenefits.mercermarketplace365.com.

How the HSA and Your Medical Plan Work Together

Think of the \$1,500 Deductible Plan and \$2,500 Deductible Plan like a house. Each level builds on the other to create a comprehensive medical plan. Preventive care is the foundation, the deductible and coinsurance are the first and second floors, and the out-of-pocket maximum is the roof. Here’s how they all work together:

HSA

You can contribute to this tax-advantaged account to help pay for eligible medical, dental, vision and prescription drug expenses, now or in the future.

| Medical Plan Election | 2020 Annual Total Contribution Limit |
|---|--------------------------------------|
| \$1,500 Deductible Plan <ul style="list-style-type: none"> ▪ Individual \$3,550 ▪ Family \$7,100 | |
| \$2,500 Deductible Plan <ul style="list-style-type: none"> ▪ Individual \$3,550 ▪ Family \$7,100 | |

** If you're age 55 or older, or will turn age 55 during the plan year, you can add \$1,000 to your contribution amount.*

Note: HSA contributions and limits are subject to change each year.

Setting Up Your HSA

- An HSA will be opened for you if you elect to enroll in an HSA-compatible plan through Mercer Marketplace 365 (even if you elect to contribute \$0 to your HSA). The HSA is administered by TRI-AD, and the custodial bank is UMB Healthcare Services.
- Once your account is set up, you'll receive an HSA welcome email that will include useful information about your account. You'll also receive an HSA debit card in the mail, which will allow you to conveniently pay for eligible expenses at the point of service.

Enrollment Tip

When you open an HSA, TRI-AD is required to verify your identity as part of the Patriot Act. You'll need to provide a valid physical mailing address, not a P.O. box. If there are questions about your personal information as a result of the Patriot Act inquiries, UMB Healthcare Service will contact you directly by mail.

If your identity isn't verified by UMB Healthcare Services or if you fail to comply with the information requests, your HSA will be closed if you haven't resolved issues with your account after 90 days, and contributions will be refunded within 60 days after your account is closed. For help re-electing an HSA, contact the Mercer Marketplace 365 at **1.855.879.6739** or mercermarketplace.com/roberthalf.

Using Your HSA to Pay for Eligible Expenses

There are three ways to use your HSA to pay for eligible expenses:

- Use your HSA debit card to pay directly at the point of service
- Pay for services out of pocket and submit a claim for reimbursement
- Use your HSA debit card to pay bills you receive from your provider's office

If you don't want to use the money in your HSA, you can also choose to pay for services out of pocket and not submit a claim for reimbursement. This way you save the money in your HSA for future medical needs.

You can use your HSA for out-of-pocket expenses that would generally qualify for the medical, dental and vision expense income-tax deduction:

- | | |
|-------------------------------|--|
| ✓ Deductibles | ✓ Speech/occupational/physical therapy |
| ✓ Office visits | ✓ Dental care |
| ✓ Prescription drugs | ✓ Vision care |
| ✓ Hospital stays and lab work | |

For a complete list of eligible expenses, see IRS Publication 502 at irs.gov/publications/p502/index.html.

Use Your HSA Funds for Qualified Dependents

Your HSA funds can be used for care for you and any of your qualified dependents as defined by the IRS, as long as their expenses aren't otherwise reimbursed. Your dependents include you:

- Spouse (including same-sex spouse)
- Children who are considered IRS tax dependents and, if age 19 through age 24, are full-time students ("children" may include stepchildren, foster children, children placed for adoption and legally adopted children)
- Incapacitated children of any age who are permanently and totally disabled

It's your responsibility to ensure you're using your HSA dollars only for qualified expenses — TRI-AD doesn't monitor or adjudicate HSA claims. Please consult your tax advisor to see if your dependent meets the definition of an eligible dependent for purposes of using your HSA for dependent care.

Our HSA Partners

The HSA is administered by TRI-AD.

The custodial bank is UMB Healthcare Services.

You may receive communications from both partners regarding your HSA.

¹ The plans begin to pay benefits for an individual only when the family deductible amount is reached.

² Family deductible amounts apply if you choose one of the following coverage levels: employee + spouse, employee + child(ren) or employee + family.

³ All copays, coinsurance and deductibles apply to the out-of-pocket maximum.

⁴ The plan begins to pay 100% of covered in-network care and prescriptions only after the full family annual out-of-pocket amount is reached.

⁵ Copay waived if admitted. For the \$400 Deductible Plan through Cigna only, neither the deductible nor coinsurance apply — only the copay will be required for this service.

⁶ All prescriptions will be filled with the generic version of the prescription unless otherwise specified by a physician. If you request a brand prescription when a generic is available, you'll pay the applicable copay, plus the difference in cost between the generic and the brand.

⁷ Prescriptions included on the preventive drug list are covered at the in-network coinsurance level prior to meeting the deductible.

MEDICAL BENEFITS AT A GLANCE — KAISER PLANS (EXCEPT IN HAWAII)

Below is a snapshot of some of the benefits covered under the Kaiser medical plans and your out-of-pocket costs. These plans aren't available in Hawaii — see page 18 for medical plans available in Hawaii. Benefits for the various Kaiser plans vary slightly, but this chart gives you a general overview of each plan. (Note: Special limits apply to the family deductible and out-of-pocket maximums for Kaiser California only, as noted below.)

¹ All copays shown are based on eligible charges. An eligible charge is the amount HMSA's participating providers have agreed to accept as payment in full for services rendered. All services received from a non-participating provider will likely result in significantly higher out-of-pocket expenses, since the member is responsible for any difference between HMSA's eligible charge and the non-participating provider's actual charge. Please note: Eligible charges don't include the excise tax or other taxes. You're responsible for all taxes related to your medical coverage.

² When a prescribed brand-name drug has a generic equivalent that is listed on the Hawaii Drug Formulary of Equivalent Drug Products, you'll be responsible for the appropriate copayment, plus the difference in cost between the generic and brand-name drugs. This applies regardless of whether you chose not to use the generic drug or whether it wasn't available at your pharmacy.

USE YOUR HEALTH SUPPORT RESOURCES

In addition to the coverage provided by your medical plan, you may have access to health support tools and resources to help meet your health care needs. There are additional tools available on mercermarketplace.com/roberthalf.

|  <p>Mail-order program and Smart90 (for maintenance medication at local pharmacy)</p> | <p>Anthem and Cigna members can use the mail-order program or Smart90 to fill maintenance medications. (Smart90 is a program that allows you to receive a 90-day supply of your maintenance medication(s) at a participating Walgreens for CVS/Target pharmacy.)</p> <p>After two refills, if you purchase your maintenance medication(s) at a retail pharmacy and not through the mail-order program or a participating Smart90 pharmacy, you'll pay 100% of the cost of your medication(s). (To estimate a drug's cost, use the Price a Medicine tool at express-scripts.com. You need to login to use the tool.)</p> <p>For information on the mail-order program or Smart90, or to find a participating Smart90 pharmacy, go to express-scripts.com and log in.</p> |
|  <p>RationalMed</p> | <p>Robert Half has purchased access to an integrated data engine called RationalMed (through Express Scripts). This service, which is free to you, identifies risks, such as adverse drug reactions, by integrating medical, pharmacy and laboratory claims data. It also sends safety interventions and alerts to caregivers to help you and your family members avoid additional risks.</p> |

BUSINESS TRAVEL MEDICAL INSURANCE

Robert Half provides business travel medical insurance through Cigna International. This plan covers any emergency medical treatment that’s required when you’re traveling on business outside your country of residence or permanent assignment.

If your trip includes any personal travel, business travel medical insurance will continue for up to 7 days when the personal portion of your trip is taken in conjunction with an approved business trip.

For medical treatment when traveling internationally on business, call **1.410.453.6330**. United Healthcare Global Emergency Travel will help coordinate any care you need.

YOUR DENTAL OPTIONS

Find a Dentist

When you use in-network dentists, you will pay fewer out-of-pocket expenses and benefit from discounted rates. To search for dentists in the Delta Dental PPO network, go to deltadentalins.com.

You have two plan options through Delta Dental to help you pay for routine preventive and other dental care for you and your family:

- Delta Dental Enhanced Plan
- Delta Dental Standard Plan

How the Dental Plans Work

| When you use an in-network provider... | When you use an out-of-network provider... |

² The Davis Vision Collection is available at most participating independent provider locations. Collection is subject to change. Collection is inclusive of select toric and multifocal contacts.

³ Additional discounts not applicable at Walmart, Sam's Club or Costco locations.

Find an In-Network Provider

When you use in-network vision providers, you will pay fewer out-of-pocket expenses and benefit from discounted rates. To search for in-network vision care providers, go to:

- davisvision.com** and select "Find a Provider"— results will include Visionworks locations
- vsp.com** and select "Find a VSP Doctor"

Enrollment Tip

If you select a Kaiser medical plan, you automatically receive some vision care coverage.

FLEXIBLE SPENDING ACCOUNTS (FSAs)

Flexible Spending Accounts (FSAs) allow you to pay for eligible health care or dependent care expenses on a pre-tax basis through payroll deductions.

Unlike HSAs that roll over every year, **FSAs are considered “use it or lose it” accounts. Unused funds are forfeited at the end of the calendar year.**

All three types of FSAs are administered by our FSA partner, TRI-AD. For more information, refer to the FSA materials in the Resource Center on the Mercer Marketplace 365 website.

| | Dependent Care FSA | Health Care FSA | Combination Health Care FSA |
|---|---|--|---|

| How much you can contribute annually | <ul style="list-style-type: none"> ■ Up to \$5,000¹ for individuals or married couples filing joint tax returns ■ Up to \$2,500¹ if you are married and file separate tax returns | Up to \$2,750 ¹ | Up to \$2,750 ¹ |
| Eligible expenses | Day care, preschool and after-school care for a dependent child under age 13 or for a tax dependent who is physically or mentally incapable of self-care | Medical, prescription drug, dental and vision expenses not paid by your insurance — see IRS Publication 502 ² for a complete list | Dental and vision expenses only until you meet the IRS deductible limit of: <ul style="list-style-type: none"> ■ \$1,400 for individual coverage ■ \$2,800 for family coverage Once you meet the IRS deductible limit and submit the appropriate verification form for approval, funds can also be used for medical expenses. |
| Availability of funds | Funds are available as they are withheld from your pay and deposited into your account. | The full amount is available to you at the start of the year or the month after you join the plan. | The full amount is available to you at the start of the year or the month after you join the plan. |
| Accessing your account | You will receive a Dependent Care Reimbursement Account debit card from TRI-AD, or you can file claims directly for reimbursement. | You will receive a Health Care FSA debit card from TRI-AD, or you can file claims directly for reimbursement. | For dental and vision expenses, you can use the same TRI-AD debit card that you use for your HSA expenses, or you can file claims directly for reimbursement. For medical expenses (once eligible), claims must be submitted manually. |
| | If you enroll in more than one FSA, you'll receive only one debit card to use for both health care and dependent care expenses. | | |
| Substantiation of claims | If you receive a request to substantiate a claim, please do so, or your card will be deactivated, and unsubstantiated funds will become taxable. | | |
| “Use it or lose it” | Any FSA funds not used by December 31 are forfeited, so plan carefully! Go to mercermarketplace.com/roberthalf to use the FSA expense calculator to help you estimate your expenses for the year. You have until March 31, 2021 to submit claims for reimbursement on any eligible expenses you incur during 2020. | | |
| If your employment ends or you terminate the plan as part of a qualified life event change | <ul style="list-style-type: none"> ■ Your FSA coverage ends on your termination date, and your debit card will be deactivated. ■ You have 90 days from the end of the plan year (March 31, 2021) to submit claims for services received within the 2020 plan year up through your termination date. ■ You can't file claims for services received after your termination date. ■ You forfeit any funds remaining in your account after all qualified claims have been paid. See When Coverage Ends on page 9 for information about coverage ending. | | |

¹ Note to highly compensated employees: If you're a highly compensated employee (as defined by the IRS), it's possible your FSA contributions may be limited prior to the beginning of the plan year or suspended during the plan year depending on the outcome of certain nondiscrimination tests imposed on FSAs by the IRS. If a limitation or suspension becomes necessary, you'll be notified in writing before it happens.

² You can find IRS Publication 502 at irs.gov/publications/p502/index.html.

COMMUTER BENEFITS

You can set aside pre-tax money through payroll contributions for commuting costs, such as public transportation, vanpools and parking. This program is administered by TRI-AD. For more information about commuter benefits, go to roberthalfbenefits.com or mercercmarketplace.com/roberthalf.

| Feature | Description |
|--|--|
| Who can participate | All regular full- and part-time employees (excluding those living in Hawaii) |
| How much you can contribute pre-tax for eligible expenses | <ul style="list-style-type: none"> ▪ For parking, up to \$270 a month ▪ For mass transit (bus, vanpool, subway, train), up to \$270* a month <p>Note: If you're paid weekly, the maximum number of deductions per month will be four deductions. If you're paid biweekly, the maximum number of deductions per month will be two deductions. (In months with an additional pay cycle, deductions won't be taken on the fifth weekly or third biweekly pay cycle.)</p> <p>* If you live in Massachusetts, state law limits the pre-tax amount to \$140 per month for transit and \$265 per month for parking. You may contribute up to the maximum monthly IRS limit, but any amount over the state's pre-tax limit will be deducted from your paycheck after-tax. These amounts are subject to change for 2020.</p>  |
| Accessing your account | <p>You'll receive a commuter benefits debit card to pay for eligible parking and transportation expenses. When you use your card, the amount is deducted automatically from your account, provided you have available funds. Claims for reimbursement must be submitted within 180 days from the date of service. Commuter funds can't be refunded or transferred between transit and parking accounts.</p> <p>Monthly claims cannot exceed the IRS monthly maximum. If you try to use your debit card to pay for an expense that exceeds the monthly maximum, the expense will be denied.</p> <p>If you manually submit a commuter claim for an amount that exceeds the monthly allowed maximum, the claim will be paid up to the monthly maximum amount and any amount above the maximum will be denied, and you will need to re-file for the denied amount.</p> <p>If you enroll as a new hire, your coverage is effective as of your date of hire. Funds aren't available until after deductions are taken, so you may need to pay out of pocket and file a claim for reimbursement until funds are available. (Or you can wait and submit claims back to your date of hire once funds become available.)</p> <p>If you enroll in commuter benefits for 2019, but don't re-enroll for 2020, you can continue to submit claims and access your account balance as long as the expenses were incurred within 180 days of your claim.</p> |
| Funds rollover | If you don't use all the funds in your commuter account each month, unused funds will carry forward and can be used for future valid commuter expenses, as long as you remain an active employee. However, you only have 180 days from the date the claim was incurred to submit for reimbursement. |
| Claims at termination | <p>If your employment ends, or if you terminate the plan as part of a qualified life event change, your commuter benefits coverage ends on the termination date. You have 90 days from the termination date to submit claims for expenses incurred no more than 180 days before termination. Claims will not be approved for services incurred after your termination date, nor if the claim is older than 180 days. You forfeit any funds remaining in your account after all qualified claims have been paid. See When Coverage Ends on page 9 for information on how to file a claim.</p> <p>See When Coverage Ends on page 9 for information about coverage ending.</p> |

Important

Note: If you're also enrolled in an HSA or FSA, the debit card you receive is the same one that you'll use for your commuter benefit transactions.

Did You Know?

Commuter benefits are effective as of your hire date.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The EAP offers free, one-on-one counseling and referrals for Robert Half employees and their household members. These confidential services are effective as of your date of hire and include:

- Marriage or family counseling
- Parental guidance
- Child and senior care
- Legal consultation
- Financial counseling
- Emotional or mental health assistance
- Alcohol or drug abuse counseling
- Work/life balance counseling

Call **1.800.424.4485** as many times as you need; you may also receive up to eight face-to-face sessions per topic with a counselor.

Robert Half pays the full cost of the EAP, which is provided through Magellan Health.

DISABILITY BENEFITS

When you need to miss work due to an illness or accident, disability benefits can replace a percentage of your lost income, up to a maximum benefit.

Robert Half provides company-paid short-term disability (STD) and long-term disability (LTD) benefits if you're a regular, full-time employee and you're unable to work due to illness, injury or pregnancy.

If you want additional LTD coverage, you may purchase supplemental LTD insurance.

Note: Your portion of the cost of medical and other benefits is your responsibility even if you take a leave of absence, such as for a short-term disability. These costs will be deducted from any pay you may receive while on leave. For more detail, please refer to the Leave of Absence Manual and applicable policy documents on your internal company site or call Broadspire, Robert Half's leave administrator, at **1.877.603.9687**.

| | STD | LTD | Supplemental LTD |

| Amount of the benefit | <ul style="list-style-type: none"> ▪ Days 8 – 90: 70% of your regular base salary ▪ Days 91 – 180: 60% of your base salary <p>Currently, STD benefits will be offset by other disability payments, such as state disability insurance in California, Hawaii, New Jersey, New York and Rhode Island.</p> | 60% of your benefits-eligible earnings ^{1,2} | Total of 66.7% of your benefits-eligible earnings (includes 60% from Robert Half-paid LTD benefit) ^{1,2} |
| Benefit maximum | \$3,500 per week | \$15,000 per month | \$25,000 per month (includes \$15,000 from Robert Half-paid LTD benefit) |
| Taxation of Benefit | Post-tax; benefit is non-taxable but imputed income does apply | Post-tax; benefit is non-taxable but imputed income does apply | Post-tax; benefit is non-taxable |

¹ Benefits-eligible earnings are your average base pay plus your bonus and commissions over a 12-month look-back period starting from October and ending in September. If you're a new employee, your benefits-eligible earnings are your base pay.

² Disabilities that begin in the first 12 months of coverage and are due to a pre-existing condition will not be payable under the plan. A condition will be considered pre-existing if you received a physician's advice or treatment within three months prior to your effective date of coverage. See your plan booklet for full details.

Important

For information about the taxation of your STD and LTD benefits, contact the plan administrator. See Contact Information on page 28.

LIFE AND ACCIDENT INSURANCE

When the unexpected happens, you and your family are protected with life and accident insurance provided through Lincoln Financial.

BASIC LIFE AND AD&D INSURANCE

Robert Half provides company-paid basic life and basic accidental death and dismemberment (AD&D) insurance if you're a regular, full-time employee.

| Other | <p>If you elect supplemental AD&D insurance, you won't be required to complete a Statement of Health, also known as Evidence of Insurability (EOI).</p> <p>Exclusions apply, and additional benefits are available under this plan. Please review the Summary of Benefits Coverage for more details.</p> | |
| Age reduction | <p>For supplemental AD&D insurance, benefit amounts reduce to:</p> <ul style="list-style-type: none"> ■ 65 percent of original coverage when you reach age 65, and ■ 50 percent of original coverage when you reach age 70. | |

* Coverage is available for eligible children ages 14 days to 26 years.

Important

The IRS requires that the cost for your basic life insurance coverage in excess of \$50,000 be considered taxable income to you. The value of this coverage, called "imputed income," is reported on your federal W-2 form each year.

Imputed income also applies to supplemental spouse life insurance coverage.

BUSINESS TRAVEL ACCIDENT INSURANCE

Robert Half provides business travel accident insurance so you have peace of mind when traveling for work. Business travel accident insurance pays a lump-sum benefit in the event of an accidental death or permanent disability while traveling for work.

If your trip includes any personal travel, business travel accident insurance will continue for up to 7 days when the personal portion of your trip is taken in conjunction with an approved business trip.

Business travel accident insurance is provided through Chubb. For help when traveling internationally on business, call **1.410.453.6330**. United Healthcare Global Emergency Travel will help you deal with any issues related to an accident.

ADDITIONAL VOLUNTARY BENEFITS

You can enroll in additional voluntary insurance products through the Mercer Marketplace 365. Because these products are offered at competitive group rates, you could save money compared with purchasing them on your own.

Voluntary benefits are available to regular full- and part-time employees.

SUPPLEMENTAL MEDICAL INSURANCE

Supplemental medical insurance can help protect you from significant or unexpected out-of-pocket expenses incurred when you undergo a procedure or use a service your medical plan doesn't cover. These supplemental options are not designed to replace the traditional medical plans.

The following supplemental medical insurance products, provided through Allstate Benefits, are available to you as part of our voluntary benefits offerings. You pay the full cost of these plans through post-tax payroll deductions.

Complete details about these products and their costs are available on the Mercer Marketplace 365 website at mercermarketplace.com/roberthalf.

|  Hospital Indemnity Insurance | A hospital indemnity insurance plan provides a cash payment for expenses that your medical plan may not cover for expenses incurred during a hospital stay. |
|  Accident Insurance | Accident insurance provides a cash payment in cases of accidental injuries. You can use this money to help pay for uncovered medical expenses, such as your deductible or coinsurance, or for ongoing living expenses, like your mortgage, rent, day care or transportation. |
|  Critical Illness Insurance | Critical illness insurance helps protect against the financial impact of certain illnesses, such as heart attack, cancer and stroke. For specific covered conditions, you receive a cash payment that you can use for uncovered medical expenses or ongoing living expenses, like your mortgage, rent, day care or transportation. |

Note: The coverage provided is limited benefit supplemental insurance.

- Group Hospital Indemnity Insurance is provided under policy GVSP2, or state variations thereof.
- Group Accident coverage is provided under policy GVAP1, or state variations thereof.
- Group Critical Illness benefits provided under policy GVCIP2, or state variations thereof.

This is a brief overview of the benefits available under the Group Policies issued by American Heritage Life Insurance Company. Details of the insurance, including exclusions, restrictions and other provisions are included in the Certificates of Insurance that will be issued to insured employees. Please contact your Allstate Benefits Representative for costs and details. Allstate Benefits is the marketing name for American Heritage Life Insurance Company, a subsidiary of The Allstate Corporation. Please contact your Allstate Benefits Representative for costs and details.

Enrollment Tip

The supplemental medical insurance products are intended to be used in addition to your medical plan. They provide great complementary coverage to the \$1,500 Deductible Plan and the \$2,500 Deductible Plan. However, on their own, they do not provide the minimum level of medical coverage needed to meet health care reform individual mandate requirements under the Affordable Care Act.
