HIGHLIGHTS OF 2021 CHANGES

Below is a summary of the changes effective January 1, 2021. Visit the enhanced roberthalfbenefits.com for complete plan details.

2021 COVERAGE COSTS

We know cost is always a primary concern for you and your family. **For 2021, we're pleased to offer the same — or enhanced coverage — with no increased cost for most of the benefit plans.** Rates are available through the Mercer Marketplace 365 starting November 3, 2020.

Note: Costs for auto/home insurance, pet insurance, and universal life insurance are individually rated — the insurance companies will provide rates directly to individuals.

SUPPLEMENTAL MEDICAL INSURANCE

Enhanced accident, critical illness and hospital indemnity insurance will now be provided through Cigna.

KAISER MEDICAL PLAN

Kaiser is making the following plan changes:

- Cardiac rehabilitation therapy covered when medically necessary
- Dental services related to accidents are no longer covered
- If a brand drug is prescribed when there's a generic drug available, and the prescription is deemed medically necessary, you pay the brand-formulary cost. If the prescription is not deemed medically necessary, you pay the full cost

HAWAII MEDICAL SERVICE ASSOCIATION (HMSA) MEDICAL PLAN

HMSA is making the following plan changes:

- Nutritional counseling will be called "Medical Nutrition Therapy" and will be expanded to cover other conditions (e.g., chronic kidney disease) at no cost when you choose in-network providers
- Outpatient internal implants will be covered at no cost when you choose in-network providers

UNIVERSAL LIFE INSURANCE

During Open Enrollment, the guarantee issue amount for voluntary universal life insurance offered through Allstate has increased to \$200,000. You can also enroll dependents now up to age 26.

Important!

During Open Enrollment, you may choose to purchase voluntary universal life insurance coverage up to \$200,000 without providing Evidence of Insurability (EOI) for you and your dependents (now up to age 26). If you currently have coverage, you can increase coverage up add COBRA Coverage as sub-head to \$200,000 total without providing EOI.

After Open Enrollment, you'll need to provide EOI for any voluntary universal life insurance coverage amount. If you purchase or increase your coverage during Open Enrollment, no additional documentation is needed.

Visit roberthalfbenefits.com for comprehensive information about all the benefits available to you and your family.

WHO'S ELIGIBLE

<ul style="list-style-type: none"> ▪ Kaiser Hawaii Gold Be Fit ▪ HMSA CompMed ▪ Supplemental medical ▪ Voluntary universal life insurance ▪ Legal plan 	Robert Half complies with the Hawaii Prepaid Health Care Act. Hawaii employees become eligible for medical coverage and certain voluntary benefits on the first of the month after or coinciding with working 20 hours or more for four consecutive weeks.	<ul style="list-style-type: none"> ▪ Your spouse/domestic partner¹ ▪ Your children up to age 26²
<ul style="list-style-type: none"> ▪ Identity protection ▪ Auto and home insurance ▪ Pet insurance 	Automatically beginning on your date of hire	<ul style="list-style-type: none"> ▪ Your spouse/domestic partner¹ ▪ Your children up to age 26²

¹ To qualify for benefits coverage, domestic partners must have entered into a legally recognized civil union or be registered with a state or local government domestic partnership registry. In the absence of a civil union or registration, domestic partners must satisfy the criteria set forth in Robert Half's Domestic Partner Benefits Guidelines. Any requirements for proof of relationship or waiting periods are applied similarly to domestic partners and spouses. COBRA-like continuation coverage is available to domestic partners and their children to the same degree and in the same manner as COBRA coverage is available to spouses and their children.

² If your child is mentally or physically disabled, coverage may continue beyond age 26, once proof of the ongoing disability is provided. Children may include natural children, adopted children, stepchildren, foster children and children for whom you have been appointed the legal guardian by a court, as well as children of qualifying domestic partners.

Enrollment Tip

To be covered, your dependents must be enrolled in the same plans you choose for yourself.

WHEN TO ENROLL

WHEN YOU FIRST BECOME ELIGIBLE

You must make your elections within 30 days of becoming eligible.

DURING OPEN ENROLLMENT

Open Enrollment is your annual opportunity to enroll for benefits or make changes to your existing benefits. Generally, benefits you elect during Open Enrollment will be effective January 1 through December 31 of the following year unless you experience a qualified life event that permits you to change your coverage or makes you ineligible for coverage. Open Enrollment is November 3 – 17, 2020.

Remember, if you want to waive medical coverage, either as a newly eligible employee or during Open Enrollment, you must:

1. Go to mercermarketplace.com/roberthalf or call the Mercer Marketplace 365 at **1.855.879.6739** to waive coverage.
2. Complete the 2021 State of Hawaii Form HC-5. This form is available on the State of Hawaii Department of Labor & Industrial Relations website (labor.hawaii.gov). The form is also included in the back of this guide.
3. Return the completed 2021 Form HC-5 via fax (**1.925.394.5110**) or email (HRsolutions@roberthalf.com) by November 30, 2020.

If you don't complete all the waiver steps above, you'll be automatically enrolled in employee-only coverage under the Kaiser Hawaii Gold Be Fit Plan effective January 1, 2021. Premiums will be automatically deducted from your payroll.

DURING THE YEAR DUE TO A QUALIFYING LIFE EVENT OR STATUS CHANGE

If you experience a status change that affects your eligibility for benefits or an IRS-qualified life event during the year, you may enroll for coverage in new plans and make changes to existing coverage within 30 days of the event. Contact the Mercer Marketplace 365 through mercermarketplace.com/roberthalf or call **1.855.879.6739** to start the process.

Qualifying Life Events

Examples of qualified life events, per IRS guidelines, include but are not limited to the following. For details, visit www.roberthalfbenefits.com/life-events.

- Marriage, divorce or legal separation
- Birth or adoption
- Loss of dependent coverage
- Death of your spouse or one of your children
- Change in work status for you or your spouse/domestic partner

Enrollment Tip

If you get married or have a baby, be sure to make changes to your coverage within 30 days. Newborns do not need a Social Security Number to be enrolled.

Your benefit elections or changes must be consistent with the event. For example, if you get married or have a child, you can add your new dependent to your current medical plan coverage, but you can't select a new medical plan. Documentation of the event may be required. Changes you make generally will be effective on the first day of the month following a qualified life event, except for:

- The birth of a baby or adoption: Coverage begins on the date of birth or the date the child is put in custody for adoption.
- Removing dependents from coverage: Coverage ends for your dropped dependent on the last day of the month.
- Death, divorce, legal separation, or termination of a domestic partnership: Coverage ends the day after the event date.

For most voluntary benefits, you can only make changes to your coverage during Open Enrollment. However, for auto, home and pet insurance, you can make changes at any time during the year.

If you experience a status change (or work less than 20 hours per week for over four weeks), this may affect your eligibility for the medical plan.

Important Legal Notices

Robert Half is required to provide legal notices to you, such as:

- Important Notice to Employees from Robert Half about Creditable Prescription Drug Coverage and Medicare
- HIPAA Special Enrollment Notice
- Women's Health and Cancer Rights Act Notice
- Newborns' and Mothers' Health Protection Act Notice
- Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP) Notice
- Robert Half HIPAA Privacy Notice
- Exchange Notice

Notices are posted on the Mercer Marketplace 365 website at mercermarketplace.com/roberthalf.

WHEN COVERAGE BEGINS

Your coverage will be effective on your eligibility date, provided you enroll by the enrollment deadline. Coverage will continue through December 31, 2021, unless you experience a status change or life event that makes you ineligible for coverage.

In order to remain eligible for medical coverage, you must continue to work at least 20 hours per week. If you have four consecutive weeks working less than 20 hours, your coverage will end on the last day of that month. You can become eligible again by working just one week at 20 hours or more.

If you're eligible for coverage but take no action, you'll automatically be enrolled in employee-only coverage under the Kaiser Hawaii Gold Be Fit Plan.

Enrollment Tip

Robert Half's benefits program offers choices for medical coverage and voluntary benefits through the Mercer Marketplace 365. You have the freedom to choose the benefits that best meet your needs.

WHEN COVERAGE ENDS

If your employment ends, or if you terminate coverage due to a qualified life event, your medical coverage ends on the last day of the month. Identity protection, legal coverage and auto and home insurance also end on the last day of the month.

Supplemental medical insurance options, universal life insurance and pet insurance end on the termination date.

COBRA COVERAGE

If you leave Robert Half or become ineligible for benefits, your current coverage will end. You and/or your covered dependents may elect to continue medical benefits through COBRA. COBRA — the Consolidated Omnibus Budget Reconciliation Act — generally allows you and your dependents to continue your insurance under the group policy for 18 months after you cease to be an active employee. If your dependent(s) loses coverage due to your death or divorce, or because he or she reaches the dependent age limit, his or her coverage may be continued for up to 36 months. Through COBRA, you can elect each benefit and coverage level separately, and your coverage will be identical to what you had in place on your last day of employment or eligibility. However, your cost will be the full premium (both your and Robert Half's portions) plus a 2% administration fee for TRI-AD, our COBRA administrator. Therefore, COBRA costs more than what you have been paying. You may want to visit the federal health insurance marketplace at [healthcare.gov](https://www.healthcare.gov) to compare plans and costs — you might find a more cost-effective option elsewhere. For questions about COBRA coverage, contact TRI-AD at **1.866.268.0142 (Option 4)**.

SURVIVOR HEALTH CARE BENEFITS

Surviving dependents of a deceased employee will receive three months of COBRA medical coverage paid for by Robert Half, as long as the dependents were covered under the Robert Half health plans at the time of the employee's death.

Enrollment Tip

When choosing a medical plan, use the medical plan comparison tool on the Mercer Marketplace 365 website (mercermarketplace.com/roberthalf) to help you make the right choice for you and your family. You can compare your health plan choices in addition to estimating your cost for each plan. The cost comparisons will factor in the deductible amount, expected services and contribution amounts.

MEDICAL PLAN OPTIONS

Robert Half offers two medical plans for eligible temporary professionals in Hawaii. Both medical plans meet the requirements of the Hawaii Prepaid Health Act.

Visit roberthalfbenefits.com for plan details and to access your Summaries of Benefits and Coverage (SBCs).

KAISER HAWAII GOLD BE FIT

With Kaiser Hawaii Gold Be Fit, an HMO through Kaiser, you must use network providers for your care. The plan does not provide benefits for care received from out-of-network providers, except in an emergency. HMO plan participants also need to designate a primary care physician (PCP). Specialist referrals must be coordinated through your PCP.

When you use an in-network provider...	When you use an out-of-network provider...
You'll pay fewer out-of-pocket expenses — you'll benefit from discounted rates.	You'll pay 100%. There are no out-of-network benefits, except for emergencies. 

HMSA COMPMED

With the Hawaii Medical Service Association (HMSA) CompMed Plan, you may choose to use network providers for your care, or you can receive care from out-of-network providers. If you choose network providers and facilities, you'll usually pay less.

When you use an in-network provider...	When you use an out-of-network provider...
You'll pay fewer out-of-pocket expenses — you'll benefit from discounted rates.	You'll pay more out of pocket for services because you won't benefit from discounted rates.

CONSIDER THE HEALTH INSURANCE MARKETPLACE

In addition to the medical plan options available through Robert Half, you can consider coverage available through the federal health insurance marketplace.

The federal health insurance marketplace offers different levels of medical plan options, each with different levels of contributions.

For more information about the federal health insurance marketplace, you can:

- Go online to healthcare.gov
- Call **1.800.318.2596**

Note: To help make coverage purchased through the federal marketplace more affordable, the federal government offers subsidies to some participants. However, if you're eligible for medical coverage through Robert Half, you won't be eligible for a federal subsidy if you enroll for coverage through the federal health insurance marketplace.

¹ All copays shown are based on eligible charges. An eligible charge is the amount HMSA's participating providers have agreed to accept as payment in full for services rendered. All services received from a non-participating provider will likely result in significantly higher out-of-pocket expenses, since the member is responsible for any difference between HMSA's eligible charge and the non-participating provider's actual charge. Please note: Eligible charges don't include the excise tax or other taxes. You're responsible for all taxes related to your medical coverage.

² If a brand drug is prescribed when there's a generic drug available, and the prescription is deemed medically necessary, you pay the brand-formulary cost. If the prescription is not deemed medically necessary, you pay the full cost.

³ When a prescribed brand-name drug has a generic equivalent that is listed on the Hawaii Drug Formulary of Equivalent Drug Products, you'll be responsible for the appropriate copayment, plus the difference in cost between the generic and brand-name drugs, unless the prescription is deemed medically necessary. This applies regardless of whether you chose not to use the generic drug or whether it wasn't available at your pharmacy.

ADDITIONAL VOLUNTARY BENEFITS

You can enroll in these additional voluntary insurance products through the Mercer Marketplace 365. Because these products are offered at competitive group rates, you could save money compared with purchasing them on your own.

You must meet the eligibility requirements on page 4 to be eligible for supplemental medical insurance, voluntary universal life insurance, and the legal plan. All employees are eligible to elect identity protection, auto and home insurance, and pet insurance beginning on your date of hire.

SUPPLEMENTAL MEDICAL INSURANCE

Supplemental medical insurance can help protect you from significant or unexpected out-of-pocket expenses incurred when you undergo a procedure or use a service your medical plan doesn't cover. These supplemental options are **not** designed to replace the traditional medical plans.

The following supplemental medical insurance products, provided through Cigna, are available to you as part of our voluntary benefits offerings. You pay the full cost of these plans through post-tax payroll deductions. Here's how the supplemental medical insurance plans work:

- **Cash benefits are paid directly to you.** Benefits aren't subject to copays, deductibles, coinsurance, or network requirements.
- **You choose how to spend your insurance benefits.** You can pay for medical costs, travel expenses to see a specialist, childcare, or help around the house — it's completely up to you.
- **"Get it" and forget it.** Premiums are deducted from your paycheck, so you're covered when you need it.
- **Take it with you.** You can take your coverage with you if you leave Robert Half.

Complete details about these products and their costs are available on the Mercer Marketplace 365 website at mercermarketplace.com/roberthalf.

	Hospital Indemnity Insurance	<p>Make sure you're prepared for a possible hospital stay. Hospital indemnity insurance provides a cash payment for expenses that your medical plan may not cover. Benefits include coverage for hospital admissions, including for chronic conditions, intensive care unit (ICU) care, and observation.</p> <p>Coverage is available for you and your eligible dependents.</p>
	Accident Insurance	<p>Let's face it: Accidents happen. When they do, accident insurance provides a cash payment in cases of injuries. You can use this money to help pay for uncovered medical expenses — such as your deductible or coinsurance — or ongoing living expenses, like your mortgage, rent, daycare or transportation. Benefits include initial and emergency care, hospitalization benefits, fractures and dislocations, follow-up care, and accidental death and dismemberment.</p> <p>Coverage is available for you and your eligible dependents.</p>
	Critical Illness Insurance	<p>Everyone has different needs when coping with critical illness.</p> <p>Critical illness insurance helps protect against the financial impact of heart attack, cancer, stroke and other conditions. You receive a cash payment that you can use for uncovered medical expenses or ongoing living expenses, like your mortgage, rent, daycare or transportation. There's even a paid benefit for completing annual health screenings, including up to \$50 for routine health exams and \$200 for mammograms.</p> <p>There are two coverage options for you: \$15,000 or \$30,000. Coverage for eligible dependents is equal to 50% of your coverage amount.</p>

When you purchase accident, critical illness or hospital indemnity coverage through Cigna, you have access to My Secure Advantage™, which offers financial wellness solutions for all types of personal challenges. These solutions include:

- Personal coaching to help you manage financial difficulties
- Identity theft protection with fraud resolution
- Online access to state-specific wills, powers of attorney and a variety of other important legal documents

Is Supplemental Medical Insurance Right for You?

Take a moment to consider if there are gaps in your medical coverage, such as:

- Your deductible is more than your savings
- You may incur extra childcare expenses if you're ill or injured
- You don't have savings to cover being off work for illness/injury

¹ Special note on exclusions and limitations: Although guaranteed issue, all exclusions and limitations will still apply to any coverage issued.

² Rates are determined by age as of the effective date and smoker status.

FOR THE EMPLOYEE TO COMPLETE

Do not use this form if: • You work for only 1 employer and that employer provides you with health care coverage, or
• You work less than 20 hours per week for your employer

In accordance with the provisions of the Hawaii Prepaid Health Care Act (Chapter 393, Hawaii Revised Statutes), this is to notify my employer that: (Check appropriate box.)

1. Of the two or more concurrent employers that I work for (at least 20 hours a week), you have been selected as the principal** employer and are required to provide me health care coverage (Section 393-6).

**The principal employer is the employer who pays the employee the most wages. However, if the employee works for 1 employer at least 35 hours per week and that employer does not pay the employee the most wages, the employee chooses the principal employer.

2. Of the two or more concurrent employers that I work for (at least 20 hours a week), you have been selected as the secondary** employer and are therefore relieved of the responsibility to provide me health care coverage until you are otherwise notified (Section 393-16).

3. I am exempt from health care coverage because I am: (Check appropriate box.) (Section 393-17 and 393-22)
a. covered by a Federally established health insurance or prepaid health care plan, such as Medicare, Medicaid or medical care benefits provided for military dependents and military retirees and their dependents.
b. covered as a dependent (e.g. spouse, child, etc.) under a qualified health care plan.
c. a recipient of public assistance or covered by a State-legislated health care plan governing medical assistance (e.g. MedQuest).
d. a follower of a religious group who depends upon prayer or other spiritual means for healing.

4. I waive coverage from my employer's health care plan because I have obtained the plan named from the health care contractor named. I understand this waiver is binding for the 2021 calendar year. I submitted a copy of my plan to my employer to forward to the Department of Labor and Industrial Relations with this form (Section 393-21).

5. The coverage exemption/waiver previously indicated in items 2, 3 or 4 is no longer applicable; you are therefore required to provide me health care coverage (Section 393-8). Requested effective date of coverage:
