Robert Half® protiviti

Get expert guidance on a medical diagnosis or treatment plan at no cost to you

Samuel,

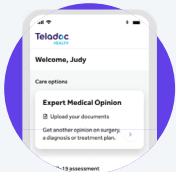

Our nationally recognized experts span over 450 medical specialties and can provide you with a medical opinion on a wide range of conditions. Get deeper insight and guidance on:

- ✓ Back, joint or neck pain
- ✓ Digestive and stomach issues
- ✓ Heart disease, heart attacks or stroke
- ✓ Cancer or tumors
- ✓ Medical conditions that aren't improving with your current treatment

Get peace of mind from experts who care. You can get answers and make a plan that works for you—all from the comfort of your home.

Sincerely,
Your Teladoc Health Expert Medical Team

How it works

Start an Expert Medical Opinion review.
Contact us about your medical concern through the Teladoc Health app or at teladoc.com/medicalexperts.

We'll coordinate your review
with a team of specialists and guide you through next steps.

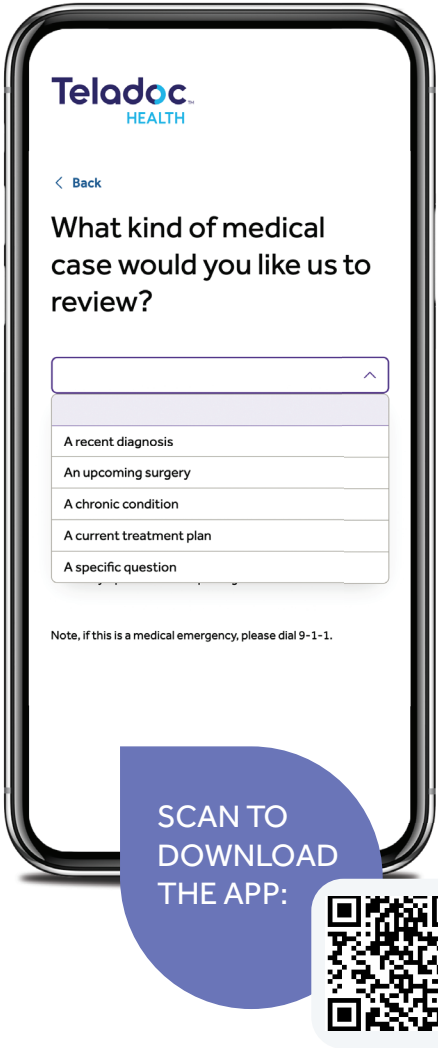

Receive a report.
You'll get the guidance you need to make a confident medical decision.

of members saw their diagnosis modified

“I really appreciate all the work you went through to get this report for me.”

A member in his early 30s was suffering from a chronic ankle bone lesion and nerve damage. His initial orthopedist recommended surgery, so he requested an Expert Medical Opinion.

The expert instead recommended that the member opt for a two-week trial of a short leg walking cast, which resulted in avoiding surgery—a nearly \$23,000 cost savings for him.
