## Universal Life Insurance from Allstate Benefits\*

A death not only leaves behind loved ones, but also financial obligations. And, if you're like most people, you don't have enough life insurance to keep your family afloat if an unexpected death occurs. Give yourself and your loved ones a gift of love – put yourself in Good Hands with coverage from Allstate Benefits.

Without a Life Insurance policy, your family may have to tap into their savings, retirement, or 401k to help cover final expenses and everyday living expenses should a breadwinner die unexpectedly.

### Here's How It Works

You choose the coverage that's right for you and your family. With planning, the death benefit can pass to your beneficiaries free from state or federal estate taxes. Consult with your tax advisor for specific information. Then, if life comes to an end while coverage is in force, your beneficiary can receive a tax-free death benefit that can be used to help pay for funeral expenses, mortgage payments and more. There are no restrictions on how the benefit may be used.

### Meeting Your Needs

- You choose the death benefit amount to leave behind
- Coverage for spouse and children through a separate certificate or rider\*\*
- Premiums are affordable and conveniently payroll deducted
- Tax benefits, withdrawals and loans are available. However, penalties and taxes may affect your decision\*\*\*

With Allstate Benefits, you gain peace of mind knowing your loved ones will receive a financial safety net when you die – think of it as your final gift of love.

**Are you in Good Hands? You can be.**

\*Allstate Benefits is the marketing name used by American Heritage Life Insurance Company, a subsidiary of The Allstate Corporation. \*\*Coverage for spouse and child(ren) may be limited to a percentage of the employee's face amount in some states. \*\*\*Partial withdrawals, surrenders, non-qualified additional benefit rider charges and loans from life insurance policies may be subject to ordinary income taxes and possibly an additional 10% federal tax penalty. Outstanding loan balances and withdrawals generally reduce the death benefit and cash value. With proper planning, the death benefit can pass to your beneficiaries free from state or federal estate taxes. Like any parent who has emotional and financial responsibilities, we think about how our family would make ends meet if we died unexpectedly. Most importantly, we may think about the debt we leave behind.

Here is what we may consider:

- The cost of funerals often leaves a financial commitment behind for surviving loved ones
- Money for day-to-day living expenses, such as food, gas, and electricity will be needed
- A substantial mortgage or rental payment may still be owed
- Childcare and education expenses for children

## Coverage for all stages of life

As people move through the stages of life, certain factors dictate the type of life insurance they need. During working years, an employer may provide Term Life insurance, but the wraparound coverage of our Group Universal Life product can help give peace of mind because the money you spent builds cash value that you can use later in life or add to the term benefit payout. The graph below illustrates the need for term and permanent whole life insurance throughout the various stages of life.

## Using your cash benefits

Cash benefits provide you with options, because you or your beneficiary get to decide how to use them.

### Finances

Cash benefits can help protect your HSAs, savings, retirement plans and 401ks from being depleted

### Travel

Your coverage will provide cash benefits to your beneficiary which can be used to help with travel related funeral expenses

### Home

Your beneficiary can use the cash benefits to help pay the mortgage, continue rental payments, or perform needed home repairs

### Expenses

The lump-sum cash benefit can be used to help pay for living expenses such as bills, electricity and gas

With proper planning, the death benefit can pass to your beneficiaries free from state or federal estate taxes. Please consult with your tax advisor for specific information.

You may be required to answer health questions at enrollment. Coverage may be available with reduced underwriting through your employer during your initial enrollment period. If you enroll after your initial enrollment period, answers to health questions are required.

## Prepare for the future today

Losing a loved one can be devastating. Final expenses and daily bills only add to your worries. Our Universal Life Insurance coverage may be used to:

- Pay off a mortgage or debts
- Provide for child care or educational expenses
- Replace income to continue the same standard of living

One way you can determine if you and your family need the coverage is to review the list below and check some or all that apply to you and your family.

- You're the primary wage earner in your family
- You have regular debts, like mortgage, car payment or credit cards
- You have children under 18
- You want flexible coverage that can change with your needs
- You'd like to plan to supplement your retirement income in later years

## Here's how Universal Life works

Premium payments are deducted from your paycheck and added to the fund value. Each month, expenses and cost of insurance charges are deducted from the fund value and any excess in the fund continues to earn interest at a rate of at least 4% per year. Interest is not taxed as income until it is withdrawn.

### Fund value and premium payments

Over time, as you continue to pay your premium, your fund value may grow. Monthly premiums are flexible, meaning you can choose to pay as much or as little as you can afford, subject to policy minimums and maximums.
